

**BOERNE, TEXAS - May 16, 2011**

*Thanks to the generosity of Jennings Anderson Ford, **DOC SEVERINSEN AND THE SAN MIGUEL FIVE** were provided complimentary ground transportation during for their two exhilarating performances at Boerne Champion High School. Jennings Anderson Ford donated the use of their vehicle to transport the five musicians, sound technician and tour manager throughout their stay in Boerne. The artists for the entire season were graciously hosted at Ye Kendall Inn, who also provided the backstage meals for the artists. The artists enjoyed the intimate setting of Ye Kendall Inn, and the opportunity for them to “kick back, relax and enjoy” this part of their tour. Special thanks goes to Culligan Water for their generous donation of bottled water for the artists and to Unifirst for providing all the linens for backstage hospitality for the three-artist series in Boerne. Pictured above is Gil Gutierrez (guitarist) with Doc Severinsen as they prepare to board their vehicle after the Sunday evening performance. Special thanks to the Greater Boerne Chamber of Commerce for working with Kerrville Performing Arts Society and local businesses in coordinating efforts to ensure the artists would receive first class hill country treatment during their stay in Boerne.*
